

INFOWARCON 18

An Invitational Cyber Training Congress

Register Here for the Early Bird!

November 1-3, 2018 and Training Oct. 30 & 31

Get the Early Bird for InfoWarCon

\$400.00 for the total conference with meals except for dinner is a good deal. We will have a great reception Wed. Oct. 31.

If you want to add training, tickets are very affordable. We are not interested in profit but break-even. Go to the Registration Page by clicking on the **Early Bird** graphic. There will be a price increase June 4th. If you need me to hold until you get permission/approval write me.

Added to Training

Joshua Crumbaugh aka Naga, will do a one-day training session in addition to his presentation at the conference. "Red Team Social Engineering, Advanced Tactics to Make You A Social Engineering SuperStar" Naga trains all over the world. - One Day Course - Wednesday, Oct. 31, 2018. Download the syllabus by clicking on Naga's picture.

Other Training Available:*

Winn Schwartau - Analogue Network Security Architecture and Design - One Day Course - Oct. 31, 2018

Col Travis Hartman -Drones and Electronic Warfare - Two Day Course-Oct. 30 and Oct. 31, 2018

Naga's syllabus
